SUBDIVISION NOTIFICATION LETTER

CASE: Minor Subdivision Final Plat case # FI-18-025
ADDRESS: 2800 S. Rooney Rd.
APPLICANT: Cardel Homes
NOTICE PURPOSE: Subdivide property into lot into 254 townhome lots and 18 tracts and rights-of-way
DATE: January 9, 2019

Dear Property Owner, Tenant, or Organization:

The City's Subdivision Ordinance requires that all owners of property within 500 feet and all registered neighborhood organizations within 1,000 feet of a proposed subdivision receive notice of any application filed with the City. A minor final plat application was received to subdivide the property at 2800 S. Rooney Rd. into 254 townhome lots, 18 tracts and rights-of-way. The property's existing zoning and land use requirements will not change with this subdivision request.

All documents and materials for this case are available for review in the Planning Department. If you have questions regarding this case or would like to make an appointment to review the project file, please call the project planner listed below. You may provide the City with any written comments to the Secretary to the Planning Commission up until the date of the Director's review for decision. Any comments you provide will be presented to the Director with the final application documents for review. Please note that City staff's review of the proposed subdivision can take between two months to more than a year and the proposal is subject to change throughout the review.

The Director will review the subdivision request based on the objective and technical requirements in the Subdivision Ordinance. This review will ensure that all lots have adequate street access, utilities, and adequate lot width and size. The Director may approve or deny the application, or refer it to the Planning Commission for their consideration. After the Director makes a decision, an additional notification letter will be sent to all owners of property within 500 feet of the proposal and registered neighborhood organizations within 1,000 feet of the proposal.
