TAKE GREAT DIGITAL PHOTOS

NEW!

Instructor: Dave Barry

This class will get you up to speed on basics. We'll discuss digital photography and how you can improve your skill and understanding of how your camera works. You will learn about file formats, which one to use and how to fix some of the common problems. Then we'll look at the essential manual controls every photographer should know. The net result is that you will be able to control your camera instead of it controlling you. Aspiring photographers will learn how to make better pictures and use the digital camera properly. \$67 Early registration price, \$72 Regular price #377704-01 Sep 3-24 Wed 6:30-9 pm Location: LCC
