RECREATION COUNSELOR IN TRAINING (CIT)*

Our Counselor In Training (CIT) Program is the first step in the transition from camper to staff member. This program is designed for teens who are ready to take on new challenges, opportunities, and responsibilities through a fun summer camp experience. Teens will gain valuable work experience while developing leadership skills on a daily basis. By cultivating skills such as communication, problem solving, team work, and leadership, CITs will have a summer of memories, friendships and valuable knowledge and experience.

Ages: 12-15

#247000-01	Jun 5-16	Mon-Fri	9 am-2 pm	LINK
----------------------------	----------	---------	-----------	----------------------

***All CITs are required to participate in the two-week training course as well as three weeks of field experience between June 19 and August 11 at a variety of summer camps (\$25/week).** Registration for field experience is required by the second week of training. Field experience weeks will open for registration during training, space is limited.

ART COUNSELOR IN TRAINING (CIT)

Our Counselor In Training (CIT) program is a great first step into volunteerism. The benefits of the position are that the CIT has opportunities to gain experiences such as leadership, accountability, self-confidence and teamwork in a fun and engaging environment. This program will also teach social, organization and networking skills our teens will need as adults. CITs are selected through an application and interview process, will have a weekend training session prior to the start of summer and at the end will receive an official City of Lakewood letter of their contribution, which is great for a future resume. CITs are required to sign up for a minimum of two weeks of volunteering within the Heritage, Culture & Arts camps (art, music, theater and history), spots are limited.

Ages: 15-17

Application is available online at Lakewood.org/Camps.

TEEN ADVENTURE CAMP

Teen Adventure Camp is a summer camp option for teens that takes them to explore some of the areas top attractions as well as getting outdoors to experience Lakewood's beautiful parks. Teens also participate in character development activities, adventure field trips, college tours, team building, swimming and weekly trips to Bear Creek Lake Park.
