

Highway Construction Announcement

Wadsworth Capacity Project from 10th Ave. to Colfax Ave.

Project Overview:

The purpose of this CDOT project is the rehabilitation of Wadsworth between Colfax and 10th Avenue in Jefferson County. This project will include concrete main line paving, the widening of Wadsworth by one lane in both directions, and the addition of a box culvert to carry Dry Gulch under Wadsworth.

Structures, Inc., is the contractor for this project.

Project Schedule:

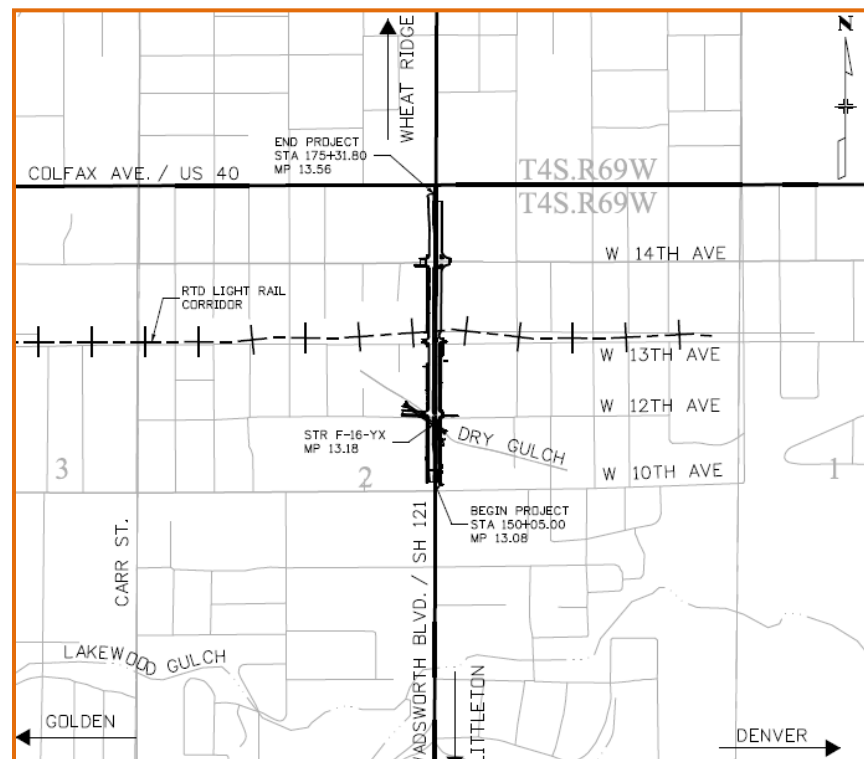

- Work is scheduled to begin **April 14, 2014**, and is expected to continue through **June 2015**.
- Normal working hours will be from **7 a.m. to 5 p.m., Monday through Friday**, with the possibility of some weekend work.
- **Single lane closures** will occur throughout the duration of the project.

If you have any questions or concerns, please contact us via the Public Information phone line or email.

If you would like to be added to our Public Outreach list and begin receiving periodic construction updates, please send a request to the email address listed below.
