For more information on exact requirements for enclosures or flyway barriers, see Section 17.4.3.1.D and Section 17.4.3.1.E of the [Zoning Ordinance](#).

Allowance info: Dwarf goats are counted towards the total number of regulated species defined as household pets. Household pets are limited to no more than a total of five regulated species per residence; however the total cannot exceed three animals of the same species. This includes dogs, cats, rabbits, ducks, pot belly pigs under 70 pounds, and ferrets, per [Section 6.05.015 of the Lakewood Municipal Code](#). This permit certifies that you agree to comply with all applicable regulations.
