1	We love having the park would love to see little kid swings added.	4/1/2016 2:22 PM
2	Leave lots of open areas for running.	3/17/2016 1:50 PM
3	I love Sutherland Shire Park. It is a wonderful asset to our neighborhood.	3/14/2016 1:22 PM
4	The current playground is not in bad shape and probably has several years of additional use remaining. Due to the proximity to Addenbrooke park area children often use that for recreation activities given the parking availability I feel the current set is perfect for the size of the park and the level of use. thank you	3/11/2016 9:47 AM
5	We would love to have something that older kids could use as well as younger kids. Our boys are getting older but still enjoy really "cool" playgrounds.	3/9/2016 8:51 PM
6	Additional park benches for parents to sit on to supervise their children. Better lighting on south end. Would like to have the path from this park to Main Reservoir improved.	3/9/2016 11:23 AM
7	A sidewalk connection between the park (Sutherland Shire) and Main Lake	3/9/2016 11:21 AM
8	Have meet-ups for parents with kids we moved here recently and don't have much of a social network.	3/9/2016 11:18 AM
9	Don't remove what is already there, just add more.	3/9/2016 11:16 AM
10	A paved trail from the park to the path around the Main Reservoir would be a great addition. The current path around the park is in use constantly, and it would be nice to link it up to Main Reservoir with something that isn't always so muddy and could be used more year-round.	3/6/2016 10:57 AM
11	Restrooms at the park would be great. Even porta potties with a nice wood surround would be nice.	3/4/2016 12:53 PM
12	I would love for more street lights to be added at the park. It is always so dark there and we would go more in the evening if the lighting was better.	3/4/2016 12:51 PM
13	Love this park and the opportunity for it to highlight it's natural setting. We have Addenbrooke so close with its traditional play, I would love to offer a natural habitat.	3/1/2016 11:46 AM
14	Keep playground a playground!!	3/1/2016 11:36 AM
15	We're so excited for this! Having adventurous children and our experience with the current structures, were looking forward to new updated, safer equipment to enjoy at our park. Thank you for making us apart of the decision making.	3/1/2016 11:24 AM
16	I'm in my 60's but love to walk and ride bikes in this park. I think the walk path could be maintained better- remove over hanging branches and overgrowth of ground plants.	3/1/2016 11:17 AM
17	I only walk my dogs at the park, other than that all the trees really need to be trimmed and cleaned up.	3/1/2016 11:04 AM
18	A plaque with a picture of the current playground and a picture of the sister parks play ground.	2/29/2016 1:04 PM
19	Couldn't decide on Modern or Natural. If possible it would be great to see a mix of both styles.	2/29/2016 1:02 PM
20	The current swinging bridge is a big hit. An updated version of this feature would be good. Lots of slides, please! :) Thank you for an updated playground! It is well used!	2/29/2016 12:57 PM
21	We are so excited for this! Thank you for putting this survey together! it will make our neighborhood even better.	2/29/2016 12:54 PM
22	Always a great job by Lakewood Parks and Rec, Thanks	2/29/2016 12:27 PM
23	Our older grandchildren, now through college enjoyed the park. Thank you! We're homeowners (going on 49 years) enjoying living across from Addenbrooke Park and appreciate all that the City of Lakewood has done and is doing for our community. This was a great area for our school-aged children to grow up in and in later years for our grandchildren to visit. Addenbrooke, Belmar, Sutherland Shire are the best parks to walk to as well as to the Xeroscape Gardens- We appreciate your staff's efforts at each park!	2/29/2016 12:24 PM
24	I would like modern but with a little traditional like covered area so the snow won't be taking all the park so the playground get used when there is snow outside.	2/29/2016 12:08 PM
