1	Add swings please, also dome structure and monkey bars	3/22/2016 12:28 PM
2	It would be nice if you could provide a few pieces of exercisable equipment for older adults. I've seen this equipment in open air parks in NM and they do get used. There is a large population of older adults in this area and it would probably be worth considering.	3/21/2016 1:08 PM
3	Bathroom or port-a-potty so we can have neighborhood picnics.	3/14/2016 1:20 PM
4	Our family now has older children, but we enjoy the tennis courts and the shade trees in the park Thank you!	3/8/2016 9:55 AM
5	Just make it different from the schools playground	3/4/2016 12:48 PM
6	Thank you for making the playground more attracting to the neighborhood.	3/2/2016 1:49 PM
7	I was once at a park that had a swing for mom's with their babies-loved this idea. Also, like the idea of a pavilion and BBQ for the neighbors to gather.	3/1/2016 12:12 PM
8	I'm thrilled that the city will finally do something with our little park. I've lived here since 1971, all of our kids are grown and gone. But it will be very nice when the grandchildren are visiting. Thank you!	3/1/2016 12:07 PM
9	Thanks for finally updating our park!!	3/1/2016 12:03 PM

11	So glad this park will finally get an update!	2/26/2016 1:52 PM
12	Thanks for surveying us!	2/26/2016 1:51 PM
13	Something different than what is at the school yard across the street.	2/26/2016 1:50 PM
14	We are concerned about safety to residents in the area of the park. I'm concerned about adequate lighting and adequate policing. In the late hours the park is a hangout for teens smoking pot and drinking. Can anything be done to ensure this is a fun park for neighborhood kids and not a "hangout" spot for the less desirable elements. In years past a neighbor had a serious home invasions in which she was injured and in the summer we have to keep our windows shut because of noise from partying. It doesn't makes us feel very safe.	2/26/2016 1:46 PM
15	We love to pack a picnic lunch or dinner and take it to the park so a gazebo with a table and benches would be great. Benches for parents to hang out while the kiddos play would also be wonderful. Thanks for asking for input from the community.	2/26/2016 1:32 PM
16	picnic tables	2/26/2016 1:27 PM
17	No Metal! (Please) picnic area and basketball court and swings would be awesome!	2/24/2016 2:29 PM
18	We have lived in this neighborhood for 40 years - our children played on the existing equipment when they were little and our grandchildren played on it as well. It would be a great addition to the neighborhood to have an updated area - it is so old and really rather unsightly. So happy you are planning an improvement.	2/23/2016 4:47 PM
19	This is a fabulous and long over due idea. We have lived in this neighborhood for 25 years and have always hoped for newer equipment, especially when our kids were little. We still enjoy walking to the park and will love to take our future grandchildren there. Thanks so much!	2/20/2016 9:43 AM
