1	Sturdy swings! Thank you for renovating our area!	4/7/2016 1:03 PM
2	Not sure of what solution is but would like to see more people clean up after their dogs.	3/31/2016 12:39 PM
3	Please don't take away too much grass as it is a fun place to run and sled. Really excited for the remodel! The current sand situation is quite unfortunate when wanting to play after rain.	3/16/2016 11:47 AM
4	Looks great! Always a great place to visit.	3/16/2016 11:44 AM
5	What is there is good enough. Not efficient parking always have the street parking full. If we leave there is no parking for us when we get home. (Trash) (Noise) pets-dogs don't clean up after them. Draws people from other neighborhoods not ours. Maintain what is there is sufficient.	3/11/2016 12:56 PM
6	A shade structure is a wonderful idea as well as more benches and trees	3/11/2016 9:42 AM
7	I love the large grass area for running and playing on and would like to see most of that kept intact. I would prefer not to have a large basketball court because of the older kids it attracts who can be rude to the little kids.	3/8/2016 3:26 PM
8	Unless the existing wood is rotted, I would not replace it. Instead, I'd like to see some kind of shaded picnic area similar to the west end of Lasley Park.	3/8/2016 10:13 AM
9	Needs to have swings	3/8/2016 10:11 AM
10	Actual play ground area is good size, but please re-orient basketball court to not face the sun (southwest). Definitely add swings and rope climber. Kids love this place. P.S. compliments to your snow-shoveling crew, they are very timely-Thank You!	3/8/2016 10:10 AM
11	So excited to have this park updated we don't go there anymore due to unsafe play area , hot slide wood splinters etc... Thank you for updating it!! awesome	3/4/2016 1:27 PM
12	Recycling can in park and please don't pave over any grass people use the park for its open space. DO NOT REMOVE ANY TREES PLEASE!!	3/4/2016 1:12 PM
13	Please make sure that the equipment is suitable for all ages.	3/1/2016 7:01 PM
14	No more sand, more seating areas, flowers and foliage. It will be very sad to see the tire swings go. Please replace them with something similar.	3/1/2016 1:51 PM
15	See attachment	3/1/2016 1:49 PM
16	We like to make obstacle courses for each other so we can race so something with a lot of climbing would be good.	3/1/2016 1:45 PM
17	Colorful equipment	3/1/2016 1:43 PM
18	It's a small park so don't over do it. Keep as much natural grass and walk path as we can and still have a natural play area.	3/1/2016 12:35 PM
19	This is a small park don't try to attract too many people. There's no parking and people tend to park in our parking lot which is posted for residents only.	3/1/2016 12:32 PM
20	Please keep the circular side-walks path because many people do loops around for exercise.	2/29/2016 2:01 PM
21	I walk the park with my dog do not use the playground.	2/29/2016 1:59 PM
22	To have a water element would be fun! Sand box? Rubber flooring to protect kids from falls. No smoking signs , nothing too appealing to teenagers.	2/29/2016 1:56 PM
23	No dogs because dog owner leave there dog poop everywhere and don't clean up.	2/29/2016 1:47 PM
24	We are happy to know that you will implement these changes.	2/29/2016 1:23 PM
25	This is a small park. Too many elements (play structure, courts, shelter) will overwhelm it's size and the enjoyment of nature. Increased amenities also double the need for parking, which the neighborhood can't support. Lasley park down the street supports those needs.	2/29/2016 1:20 PM

26	There's other parks that should be expanded up a mile from founders park! to west also to the south or to the kendall area this park would be ruined if it would be expanded and a magnet park.	2/29/2016 1:15 PM
27	As older people we are pleased with park and most of its upkeep. A newer childrens area is ok as long s it doesn't take over the parks charm of quiet and nestful. Some sitting shade for rest (not trees) would be nice. Flowers or shrubs are nice. We are against more trees as leaves come up against our fence and in yard for us to clean up every fall and winter.	2/26/2016 12:09 PM
28	I walk my dogs at that park daily, as do many others. If an enclosed "off leash" section could be included that would be great.	2/26/2016 11:56 AM
29	Combinations will speak best. Ground cover of recycled tires. Sand = litter box, gravel = painful falls, wood chips = splinter city	2/25/2016 12:24 PM
