

City of Lakewood Sustainability Award 2009 Mayor's Award

Sustainability

"creating balance among the environment, the economy and society to ensure that we do not compromise the quality of life for future generations."

- Lakewood's
Comprehensive Plan

Green Campus Initiative and Energy And Environmental Technology Programs

Red Rocks Community College

Project Achievement Areas:

- Climate Change
- Innovation in Environmental Technology
- Green Design
- Preservation of Ecological Diversity
- Waste Reduction and Recycling

Red Rocks Community College has emerged as an environmental superhero in recent times, with unprecedented feats of conservation, education, programs and practices.

The College is a leader in energy education with its programs in Renewable Energy Technology, Energy Operations, Environmental Technology, Energy Maintenance and Energy Efficiency.

Red Rocks has also implemented its own *Greening Red Rocks* initiative to reduce the environmental impact the campus itself has.

The City of Lakewood is proud to recognize Red Rocks Community College as a 2009 Sustainability Award Recipient.
